

## Question 1

- Use html table and css for styling to display the following html page

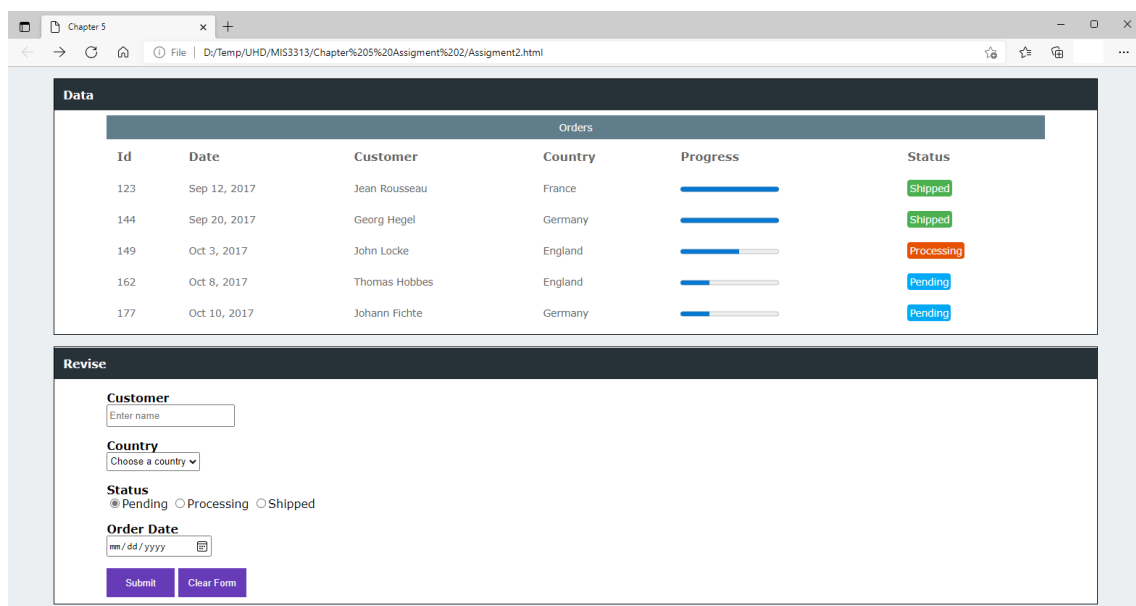

The screenshot shows a web browser window with a single tab titled 'Chapter 5 Assignment 1'. The address bar shows the file path 'D:/Temp/MIS3313/Chapter%205%20Assignment%201/Assignment1.html'. The main content area displays a table titled 'Orders' under a 'Data' header. The table has six columns: Id, Date, Customer, Country, Progress, and Status. It contains five rows of data, each with a progress bar and a status label.

Orders					
Id	Date	Customer	Country	Progress	Status
123	Sep 12, 2017	Jean Rousseau	France	<div><div></div></div>	Shipped
144	Sep 20, 2017	Georg Hegel	Germany	<div><div></div></div>	Shipped
149	Oct 3, 2017	John Locke	England	<div><div></div></div>	Processing
162	Oct 8, 2017	Thomas Hobbes	England	<div><div></div></div>	Pending
177	Oct 10, 2017	Johann Fichte	Germany	<div><div></div></div>	Pending

## Question 2

- Add a second section on the bottom.
- The Country drop down list should have: England, French, Germany
- The button Submit and Clear Form change color when hover (mouse over).
- The Clear Form button will clear all the data entered in the form.
- Setup the form's method to the GET and its action attribute to <http://www.randyconnolly.com/tests/process.php>

The screenshot shows a web browser window with a single tab titled 'Chapter 5'. The address bar shows the file path 'D:/Temp/UHD/MIS3313/Chapter%205%20Assignment%202/Assignment2.html'. The main content area displays a form titled 'Revise' under a 'Data' header. The form contains fields for Customer, Country, Status, and Order Date, along with Submit and Clear Form buttons. Above the form is a table titled 'Orders' with the same data as in the first screenshot.

Orders					
Id	Date	Customer	Country	Progress	Status
123	Sep 12, 2017	Jean Rousseau	France	<div><div></div></div>	Shipped
144	Sep 20, 2017	Georg Hegel	Germany	<div><div></div></div>	Shipped
149	Oct 3, 2017	John Locke	England	<div><div></div></div>	Processing
162	Oct 8, 2017	Thomas Hobbes	England	<div><div></div></div>	Pending
177	Oct 10, 2017	Johann Fichte	Germany	<div><div></div></div>	Pending

**Revise**

**Customer**

**Country**

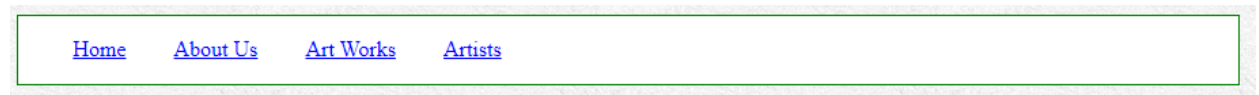

**Status**  
☒ Pending ☐ Processing ☐ Shipped

**Order Date**

### Question 3

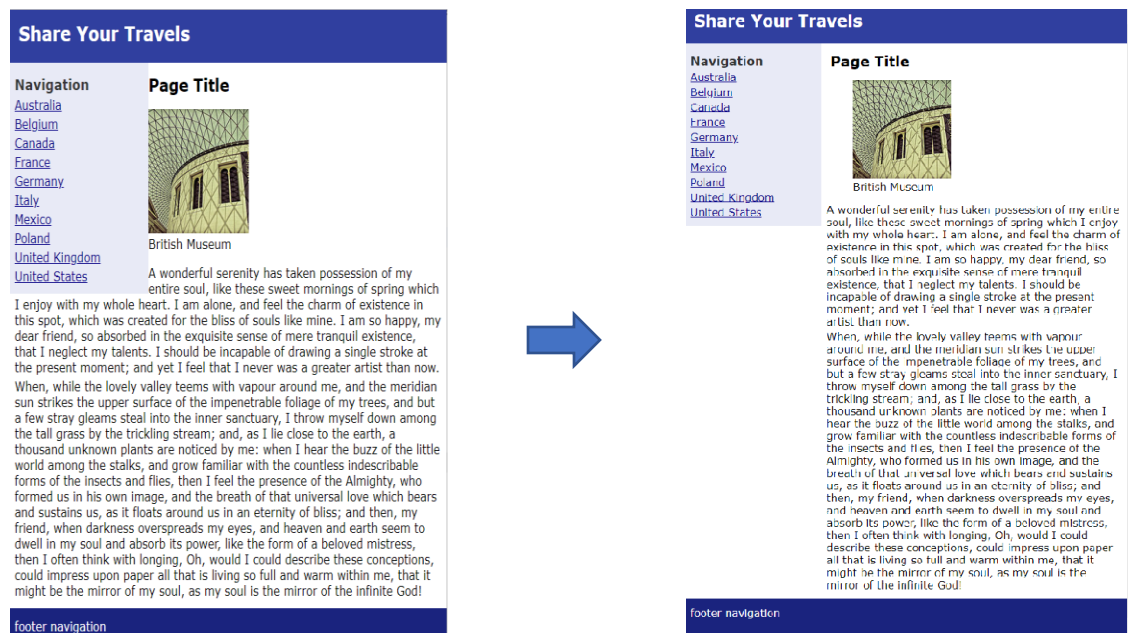

Design a website that has a menu with 4 categories to link and display the 4 different types of media in the Question3.zip file (4 html pages). Be creative and make it look as nice as possible assuming that you are going to show this during an interview to let the interviewer know your capability.

Look back into Week 2 homework for example:

### Question 4

- 1) Describe all the 4 types of position elements in a layout.
- 2) Adjust the provided code in the Question4.zip file to have the result in figure 2

### Question 5

- 1) What is responsive design? Why is it important?
- 2) Explain CSS framework.
- 3) Explain CSS preprocessor
